Possibly having 4 swimmers per room. 10 and unders must be with their parent or their parents must work out an alternative responsible chaperone attending the travel meet. These discussions were only preliminary and final details and plans will be established once meet destination is secure with the best possible price for swimmers interested.
10. *DRYLAND*: Coach Jeff briefly discussed his philosophy of Dry land training. He would prefer to do Dry land training after practice so as not to take away any time in the water. Currently this training is free to all swimmers and attendance is not mandatory
